HIKING FOR HONEYCOMB

CLUES:

1. A trail snack preferred by hippies. GRANOLA
2. A group of slow, meandering hikers; Or, a zombie horde.
3. Stepped on, walked on, and crushed underfoot.
4. Vessel which carries a life sustaining essential.
5. Old-school Global Positioning System.
6. Those who seek adventure through geocaching or letterboxing.

There are 6, 7-letter hiking related words hidden in the honeycomb above. We've given you a head start with the first clue. The shaded "R" and the six letters surrounding it spell out "Granola." It's your job to find the remaining five words. After you're done, check your answers and let us know how you did on the All Who Wander MOMQ page.
